BPS FETE 2013 – OCT 20th

All the info you need to know!

Welcome to all families at Beaumaris Primary School in 2013, in particular, our new families. Every two years our school hosts a major Fete that is our main fundraiser for the year. It is a great day with all of the school involved in some way.

This newsletter is to give you information about what is happening and what we, the Fete committee, needs you to do to help make this the best Fete ever!

The Committee

Fete Convenor – Karen Munn
Rides co-ordinators – Sally Styles, Sally Hayden
In house Stalls co-ordinator – Imogen Miller
Market stalls – Fiona Love
Food Co-ordinator – Sam Berry
Marketing Co-ordinators – Sarah Kerr and Meika Behrendorf

Other roles need to be filled. Please continue reading to see how you can help.

Sponsorship

We need you!

The biggest aspect to our fundraising is SPONSORSHIP. We have a variety of sponsorship packages available to local and large scale businesses. Businesses can sponsor a ride, stalls…the whole fete!

Please think of all your contacts and consider them for the following:

- Raffle prize
- Silent Auction
- Sponsor a ride
- Sponsor a stall
- Donation of goods for stall.

The money raised from our 2011 fete was used to significantly improve our IT equipment, 2 kitchens in the Susan Arnts Learning Centre, painting in the Japanese room, new BBQ and trestles, Literacy and Maths resources and new pin boards.

In House Stalls
Shortly the committee will release a list of the stalls for the fete. Each class is asked to take on responsibility for one and run it on the day. Usually most families take a turn on their stall for a short time and then enjoy the day. It is a fun time for the kids as they love seeing the parents work at their school!

If there is a particular stall you would like to run please contact Imogen Miller 0411 237025 to put your name and class down.

Outstanding Committee Roles
Thinking you might like to get involved without too much commitment then we have some roles for you!

Logistics: Closer to the day the Logistics Co-ordinator completes the following tasks:
- Organise the logistics for each stall regarding tables/shade etc
- Order power requirements for the day
- Coordinate the set up and pack up of the day in conjunction with rest of committee
- Arrange collection and return of any equipment from other places
- Liaise with school about rubbish management on the day
- Organise security for night before
- First aid

In House Stalls: This is normally run with two people and Imogen is hopeful for a second person to come on board to this role and work alongside her to organise the In house stalls.
