Homework	<p>Homework is sent home Monday and due back Friday, unless otherwise stated. Homework will consist mainly of: *daily reading to promote appreciation of different texts and authors and build on students' confidence in their reading ability *practise of mental math to improve student proficiency in making calculations in their minds *tasks to investigate or apply knowledge related to all learning. Homework will generally not exceed 30 minutes per day. Tips: Listening to your child read at home is a good way of supporting your child's reading. Talk about books, read together and make reading an enjoyable, shared activity. We encourage you to play a variety of spelling games with your child to build on word knowledge and spelling skills. We also encourage you to play a variety of number fluency games to help your child build quick recall of addition & subtraction facts to 100 and quick recall of the 2s, 3s, 5s, & 10s multiplication facts and related division facts. Sharing/reflection of the homework task will generally occur in class on the due date of the given task.</p>
Student Diary	<p>Student diaries should be at school every day. Every Friday the teacher will check the reading details for the week.</p>
Spelling	Students work on spelling activities to develop phonological awareness, graphophonic knowledge, morphemic and etymological knowledge. This work will be done at school.
Birthdays	Children can bring a treat to share on their birthday - No nuts please! A chocolate frog or snake lolly is usually a safe and stress free option.
Nude food lunches	All families are encouraged to prepare nude food lunches. Please unwrap and throw any

	<p>rubbish out at home to help us reduce the amount of rubbish at school. PLEASE ensure all containers are clearly labelled!</p>
