LEGO® EDUCATION PROGRAM - Term 1, 2017

- **Science and Technology:** Students explore the world of powered mechanisms, building simple machines with specially designed LEGO® Educational kits.

- **Creativity and imagination:** Students engage with LEGO® pieces to complete puzzles, games and challenges without instructions and become Master Builders!

The 8-week course will begin in term 1, on Wednesday the 8th of February, during lunch, at a cost of $120 per student. The course will be held at Beaumaris Primary School.

---
