

WiseOnes

Term 3, 2018

"7 STEPS TO GENIUS"

Term 3 - 2018

"7 Steps to Genius" highlights the science and art of **Leonardo Da Vinci**, together with the works of **May Gibbs**, the Australian writer.

You will learn about - understanding Leonardo's scientific systems, risk taking, superb health and dexterity, mind mapping, drawing upside down (standing on your head?) feelings through your senses, fabrics, drama, writing with both hands, verbal pictures and mirror writing. WiseOnes will help you to learn Leonardo Da Vinci's secrets.

This program is available for all Grade 1 - Grade 6 children who have qualified for WiseOnes.

Claudine Berman (Education manager and teacher)

WiseOnes is a program for faster learners* from Grades 1-6. It operates during school hours, in small groups. It provides students with an opportunity to mix with other creative thinkers, be challenged and have fun.

There are 8 one hour sessions in a very small group –.

** Children with high potential for learning may show the following characteristics:*

- *Requires less sleep than other children*
- *High energy levels*
- *Quirky sense of humour*
- *Advanced ethical and moral concerns*
- *Flexible, creative thinker*
- *Understands abstract concepts well ahead of others the same age*
- *Highly perceptive of own and others feelings, needs.*
- *Perseveres for long periods of time in special interest areas*
- *Gets on better with older children and adults*
- *An inquiring mind, highly curious*
- *Sets high standards for self, perfectionist tendencies*
- *Excellent vocabulary for age*
- *Able to solve problems quickly and often creatively*
- *Believe that school is for learning* Ref: Professor Joyce Van Tassel-Baska.

For new students: FREE ASSESSMENT available

1. Problem-solving, is quick to do, suits students with maths and science type abilities.
2. The Word Recognition test suits those with a high ability in language.
