

Year 5 Term 2 Newsletter- 2018

Welcome to Term 2. We hope you find the information below helpful. If you have any queries please do not hesitate to contact your child's class teacher.

Timetable	School commences: 9.00am Recess: 10.40 – 11.10am Lunch: 12.50pm – 1.00pm (eating time). 1.00pm – 1.50pm Dismissal: 3.30
Out of Hours School Care -Camp Australia	Students must not be left alone in the school yard before 8:45am or after 3.45pm. If you have to leave your child on any day before 8:45am or after 3:45pm you must book them into Camp Australia as there is no yard supervision outside these times.
Closing of school gates	To assist with student safety and wellbeing, all school gates are closed at 9.15am until 3.00 pm. If you need to enter the school between these times please enter and exit <u>through the office and sign in or out.</u>
Communication	<ul style="list-style-type: none"> ▪ COMPASS: is available for student reports and parent-teacher interviews. We are also going paper free and all notices, events and consents will be sent to you via COMPASS. ▪ Stop Press: General information and reminders of upcoming events are published in the Stop Press. A link for Stop Press is emailed to parents every Thursday or can be accessed via the Beaumaris Primary website. http://www.beaups.vic.edu.au/. ▪ Classroom teachers: will be available in their classrooms from 3.30pm-3.40pm each day so you can informally catch up with them. If you have a specific concern that will take more than a few minutes, please make an appointment with the class teacher. All teachers are required to attend staff meetings and professional development sessions every Monday and Wednesday from 3.45pm and staff briefings daily from 8:40-8:50am, so we would appreciate if appointments can be made at other times.
School Uniform	Our Beaumaris PS school uniform should be worn correctly and be in good condition. Hats are to be worn at recess, lunch and in outdoor activities until the 1 st of May and again from the 1 st of September. Jewellery and nail polish are not part of the BPS school uniform (this includes coloured wrist and ankle bands). If wearing earrings, only small studs should be worn. <u>Please ensure all items of clothing are named and check the lost property cupboard near the art room for any missing items.</u> School uniform orders can be placed at the office. Students may wear their sport tops during PE sessions and interschool sports. If a child is issued a School owned sports uniform item (eg – football jumper) it is expected that the item is laundered and returned after use. Families may be invoiced for any sports uniforms that are not returned promptly by their children.
Absences	If your child is absent, please email the office beaumaris.ps@edumail.vic.gov.au or use the link on the BPS website and your class teacher will be alerted to the absence. If notification is not sent through by email, we still require written verification of student absence (not in the student diary). In addition to this, any students leaving the school before 3:30pm require an early leaver's pass. Before collecting your child, please obtain a pass from the office and present to the classroom teacher. If leaving during school hours, students must be collected by an adult.
Nude food lunches	Our Sustainability team encourages nude food lunches. Please unwrap and throw any rubbish out at home to help us reduce the amount of rubbish scattered throughout our school. Lunch boxes are available from the office, and most supermarkets have a variety of suitable containers.

Mobile phones	Mobile phones are permitted at school if necessary. The school takes no responsibility for loss or damage. Students are to switch off their phones during school hours, keep them in their bags and adhere to our mobile phone policy and cyber guidelines.
Birthdays	Students may bring a treat to share for birthdays. <u>No nuts please.</u> Chocolate frogs, Chuppa chups etc. are a great option.
Sport	In Term 2 all Year 6 students and some Year 5 students participate in interschool sport each Friday. On sport days your child must be at school by 8:30 am to catch the bus if participating in an interschool sport's team. Students staying at school will participate in organised competitive sports against other members of the grade 5 cohort.
Homework	Reading: At least 20 minutes of nightly reading is expected. A record of the text title and time spent reading is to be entered in the student diary. A range of literature is available in classrooms and our library. Local library visits and reading of a variety of texts, such as newspapers and online reports is encouraged.

Mathletics & Reading Eggs: Each student has a student login number. Activities offer both challenge and reinforcement of concepts. Students can explore these sites at home and in the classroom.

Homework: Tasks related to our classroom learning over a weekly or fortnightly timeframe.

Diaries: Student diaries are required at school daily and to be submitted to classroom teachers weekly. Students use their diaries to assist their organisation and list coming events and requirements as needed. The diary can also be used for communication between teacher and parent. We encourage parents to sign diaries every week. .

Mathematics	Mathematics this term will involve a large focus on addition and subtraction and revising all four processes before NAPLAN. We will also cover symmetry, 3D shapes and nets, data collection, grid references and units of measurement
Literacy: Writing, Reading & Spelling	Through our English program this term we aim to further develop the students' literacy skills. Our weekly spelling program uses a range of strategies to encourage students to develop their understandings of word structure and meanings. Our writing program will cover persuasive text and poetry. We will continue to follow the BPS writing process, which involves drafting, editing, revising, and teacher conferencing with an emphasis on publishing. We will be using the VOICES framework and the Seven Steps of Writing to support students to be effective writers. Our reading rotations will provide a range of activities including reading conferences, text response, grammar tasks and guided reading groups to develop skills in the area of comprehension, accuracy, fluency and vocabulary. Students will be encouraged to read a range of texts at both school and home, and will experience class novels read aloud. Speaking and listening skills will be enhanced through class meetings, presentations and focus student interactions.
Education Research Project: Personalised Learning	Personalised learning is an exciting philosophy that places the child and their interests at the centre of the curriculum. It ensures authentic and meaningful personalised learning and supports the explicit instruction of English and Mathematics. It promotes active engagement of students working on their own investigations a few sessions a week with a specific subject focus. This term students will be assisted to relate their interests to our subject focus of geography. Our GEOGRAPHY learning intentions for Term 2 are: <ol style="list-style-type: none"> 1. Compare and examine Australia to other countries across the world 2. Explore Indigenous groups across the globe and analyse their similarities and differences 3. Identify and compare natural disasters and describe the environmental, economic and human effects 4. Interpret geographical data and information and represent it using diagrams, sketches and large and small-scale maps
